## MORNINGLEADER THURSDAY MORNING OUT. S. 1863

English Ordunuce. The London Army and Navy Gazette of September 12th, regrets to state that the late experiments with the Armstrong gons at Newhaven, the defects of the lead costed shot and fine grooving were very apparent, as happened in the previous practice. Wish the full charge of twelve pounds, neveral of the shells burst at the muzzle, and one in the gan, catting up the grooving : while others of the shells were stripped of their lead-coating and fell short. Late experiments, which were conducted partly to try the fuses, showed that the 110-pounder sould not be depended upon in the hour of greatest need in a close hand-to-hand combat, and established also

the fact that the peculiar nature of the

oult, if not impossible, to obtain a safe

Armstrong rifling rendered it very diffi. \$10 and costs.

fuse for the gan. What brought John Bull to his houses, Hallett & Co's Circular for September 30, says that when the prospective clear- day evening. The stories told by the parties ances of the Laird corsairs seemed most are so widely different that we shall attempt threatening, it was definitely resolved by the Cabinet that such an event must be tion shall have elicited the truth. navy; that, In such an event, a rebel vessel was to be engaged wherever found, even if it had to be cut out of a British port. Lord John Russell and his colleagues were thus brought to their senses.

OIL CITT, PA., October 8, 1868. EDITORS LEADER: By the above you will observe we are again in the "Oil " Welcome, Fourth Ward "-and a Demo-Diggins." Two years have elapsed since cratic resolution of 1847, " We hold every we were here, and the changes that have man to be a traitor to his country and her sa-

rousing cheers. A platform had been erected
securing Fairfax County and picking up
suitside, and the large space in front was
all citizens that could be found, and steal-

brilliantty lighted with torches, while on the building were two beautiful transparancies.

Une gang yassed along in close proximity to our defences and threatened an at-tack upon the Government farms, but the strength of the guard prevented them from making the attempt.

Deserters from the army continue to

cross the Potomac below Alexandris not-withstanding the vigilance of the flotilla. Reports of the crops for the month of leptember are coming in at the Agricultural Bureau very promptly. They will be arranged for publication in a few days and will be of more than usual importance. A dispatch from the Army of the Poto-muc Sept. 4th, to the Herald says: About way to get, or tumble in, being the motte.

All rolling ground not planted with day.

All rolling ground not planted with day. was on our extreme left in the direction of Summerville Ford, and as we treated them with silent contempt, they shortly gave up

Tribune's dispatch: A private in the boarders, and yet hundreds each day fall that would result from the election of the Priday last. Five rebels were captured. An artitlery private reported he was ac-

thereby the sing sum of fifty thousand frequently interrupted by application.

The arcitement in, and "round about"

of the immones crowd before him, and was livened frequently interrupted by application. The petitioned Jeff. Davis to have Mosby removed from that region as how with the ladies of this only and vicinity and vicini is fully equal to the din and whirl of three deretood and appreciated his arguments, and taken and damage done by the Union years ago. Capitalists from all sections that no sophistry of Copperhead papers or troops in pursuit of him. To this Jeff Daof the country are continually pouring in speeches could swerve them from the allevis and Gen. Stuart responded that the people could not see the good done by Mos-by with his men, which was in keeping a

and are yet Temperate—genuine Usion Dem-perate—like Resecrans, Sigel, D. S. Dickinson, that a colored barbar direct from Richtact daily with leading rebels, says the battle of Cuicknmauga is not considered the army have frequently said, in his should the Army of the Potomac advance in force. Many citizens assert publicly that they will not offer any resistance in case of an attack, because it would be uthardly second to any this side of the dations. Before the audience dispursed it tarly useless. People are daily sending mountains.

coming of the Yankees. One day last week the State Guard was esssion to the Union meeting in the Pifth called out to suppress a threatened bread riot. Hundreds of employees of the Government with their wives and wives of oldlers assembled in front of the State Capital armed with clubs and other misdemanding of the authorities relief for their starving children. An extensiveriot was only prevented by the prompt action of the State Guard and promises of ONIONS-2,000 BUSHELS YELLOW

the State authorities. Action of the Virginia Legislature, i ould seem, confirm the statement that Lee's force between the Rapidan and Petersburg is only 35,000.

It is a suggestive fact mentioned by this solored man that Stuart has failed to get a commission as Lieutenant General on account of his numerous defeats. A Newberne letter to the Herald, dated eptember 29th, says:

A few days since Captain Schaffer, 83d New York, with small detachments of the 101 and 102d Pennsylvania and his own regiment visited the enemy's salt works at Neg's Head and destroyed the works, which were supplied with wrought iron pans, and about 100 bushels of satt. Captain Schaffer found no rebeis and the works were destroyed without opposition. Major General Beck and Staff have started on a few days' inspection of defenses at Plymouth, Rosnoke Island, Hatterss,
